Set the Stage

A photograph of a large, dark, irregularly shaped rock that has fallen onto a paved road, completely blocking it. The road has yellow double lines on the left and a white line on the right. To the left of the rock is a steep, snow-covered hillside with some evergreen trees. To the right, a metal guardrail runs along the edge of the road, and more snow-covered ground and trees are visible in the background. The sky is overcast and grey. The text "EMBRACE THE MOMENT" is overlaid in white, bold, sans-serif capital letters across the middle of the image, positioned over the rock and the road.

EMBRACE THE MOMENT
